Software for creating Videos of screens

- Camtasia
- Snagit
- BB FlashBack (Special offer for attendees: 50% off)
- Many others (Google can help)

Software for creating Videos of people

Start with your SmartPhone:

- Apple users have iMovie
- Android users have 3rd party apps⁵
- Windows mobile users Movie Moments and Video Tuner

⁵ <http://filmora.wondershare.com/video-editor/android-video-editor.html>

Software for Desktop Editing of Video

Free Tools

- Windows Movie Maker is free on PC
- iMovie is free on Mac.

Software for Desktop Editing of Video Paid Tools

- Adobe Premier Pro
- Sony Vegas
- Adobe Premier Elements
- Sony Movie Studio
- Final Cut Pro (mac)

Tools for cool Titles and animations:

- Powerpoint
- Adobe After effects
- Apple Motion 5

An alarm clock with a white face and black numbers is centered in the foreground. The clock's hands are positioned at approximately 10:10. The background is a dense, overlapping pattern of US dollar bills, primarily \$100 bills, which are slightly out of focus. The overall image has a blue-tinted overlay.
